

**UC Santa Cruz 2005 LRDP EIR
Annual Mitigation Monitoring Report, 2013-14
Table 1: Mitigation Status Summary**

Mitigation ID	Mitigation description	Responsible Unit	Status
AES-5D	Continue Site Stewardship Program.	Physical Plant	Completed - Ongoing
AES-6B	Minimize light pollution in new development projects.	PP&C	Completed - Ongoing
AES-6D	Turn off field lights at 11 PM.	OPERS	Not Triggered
AES-6E	DAB review outdoor lighting	PP&C	Other
AIR-1	Construction dust control.	PP&C	Completed - Ongoing
AIR-4A	Work with AMBAG on regional population forecasts.	PP&C	Completed - No Further Action
AIR-4B	Work with MBUAPCD on campus growth-related emissions.	PP&C	Completed - No Further Action
AIR-5A	Generator testing schedule.	Physical Plant	Completed - Ongoing
AIR-5B-PP	Cogeneration system emissions	Physical Plant	Completed - No Further Action
AIR-6	Minimize construction air pollutant emissions.	PP&C	Completed - Ongoing
AIR-7	Reduce toxic air contaminant emissions.	PP&C	Completed - Ongoing
BIO-15	Arboretum fencing allow mammal movement	Arboretum	Completed - Ongoing
BIO-7A-Police	Ohlone tiger beetle protection in Marshall Field.	Police	Completed - Ongoing
BIO-7A-PP	Ohlone tiger beetle protection in Marshall Field.	Physical Plant	Completed - Ongoing
BIO-7B	USFWS consultation on Arboretum fencing	Arboretum	Completed - No Further Action
BIO-8A-CNR	Cave signs and educational material.	CNR	Completed - Ongoing
BIO-8A-PP	Signs and educational material to protect caves.	Physical Plant	Completed - Ongoing
BIO-8B-PPC	Consult with agencies on cave barrier design.	PP&C	Completed - Ongoing
CULT-1B-PP	Archaeological resource training for campus employees.	Physical Plant	Completed - Ongoing
DA-HYD-2	Prevent off-site migration of landscape chemicals (2300 Delaware)	Physical Plant	Completed - Ongoing
DA-REC-1A	Trash and litter collection at Antonelli Pond.	Physical Plant	Completed - Ongoing
DA-REC-1B	Contribute toward providing and maintaining picnic and trail facilities at Antonelli Pond.	Physical Plant	Completed - Ongoing
DA-REC-2D	Coordination of volunteer activities at Antonelli Pond.	Physical Plant	In Progress
DA-TRA-1A	Campus contribution to cost of intersection	TAPS	Completed - Ongoing

**UC Santa Cruz 2005 LRDP EIR
Annual Mitigation Monitoring Report, 2013-14
Table 1: Mitigation Status Summary**

	improvements (2300 Delaware).		
DA-TRA-1B	TDM measures (2300 Delaware).	TAPS	Completed - Ongoing
DA-TRA-2	Parking monitoring and management (2300 Delaware).	TAPS	Completed - Ongoing
DA-TRA-3	Public transit to serve 2300 Delaware.	TAPS	Completed - Ongoing
DA-UTIL-1A	Water conservation at 2300 Delaware.	Physical Plant	Completed - Ongoing
DA-UTIL-1C	Evapotranspiration irrigation system (2300 Delaware).	Physical Plant	Completed - No Further Action
HAZ-10A	Annual/biennial building inspections	Fire Dept	In Progress
HAZ-10B	Develop and implement Vegetation Management Plan	Physical Plant	Not Triggered
HAZ-10C	Wildland fire prevention signage.	Physical Plant	Not Triggered
HAZ-2	Enhance hazardous waste minimization program.	EH&S	Completed - Ongoing
HAZ-9A	Construction road closure procedures.	PP&C	Completed - Ongoing
HAZ-9B	Test and update EOP.	Fire Dept	Completed - Ongoing
HAZ-9C	EOPs for 2300 Delaware and north campus.	Fire Dept	Completed - Ongoing
HAZ-9D	Secondary emergency egress route for north campus.	PP&C	Not Triggered
HYD-2A	Construction site controls, sites less than 1 acre.	PP&C	Completed - Ongoing
HYD-2B	Erosion controls for grading on hillsides.	PP&C	Completed - Ongoing
HYD-3A-PP	Signs and public education about importance of staying on paved roads and approved paths.	Physical Plant	Completed - Ongoing
HYD-3A-PPC	Signs and public education about importance of staying on paved roads and approved paths.	PP&C	Completed - Ongoing
HYD-3B-PP	Erosion control measures for fire roads.	Physical Plant	Completed - Ongoing
HYD-3D	Low-impact development measures for new development.	PP&C	Completed - Ongoing
HYD-5C	Aquifer monitoring.	PP&C	Not Triggered
NOIS-1	Construction noise controls.	PP&C	Completed - Ongoing
NOIS-2	Contractors use City-designated truck routes.	PP&C	Completed - Ongoing
POP-3A	Campus housing accommodate 50 percent of undergraduates and 25 percent of graduate	CUHS	Completed - Ongoing

**UC Santa Cruz 2005 LRDP EIR
Annual Mitigation Monitoring Report, 2013-14
Table 1: Mitigation Status Summary**

	students.		
POP-3B	Housing collaboration study.	CUHS	Completed - No Further Action
POP-3C	Housing collaboration study.	CUHS	Completed - Ongoing
REC-2C-PP	Discourage illegal bicycle use on Pogonip trails.	Physical Plant	Completed - Ongoing
REC-2C-TAPS	Discourage illegal bicycle use on Pogonip trails.	TAPS	Completed - Ongoing
REC-2D-PP	Coordinate with City on volunteer trail maintenance days.	Physical Plant	In Progress
REC-4	Recreational facilities available to public	OPERS	Completed - Ongoing
TRA-1	Monitoring and improve campus intersections.	TAPS	Completed - Ongoing
TRA-2A-TAPS	Monitor and contribute to improvements to City intersections.	TAPS	Completed - Ongoing
TRA-2B	Expand TDM programs.	TAPS	Completed - Ongoing
TRA-3B	Parking monitoring and construction.	TAPS	Completed - Ongoing
TRA-3C	Parking management systems.	TAPS	Completed - Ongoing
TRA-4A	Monitor transit efficiency.	TAPS	Completed - Ongoing
TRA-4B	Improve transit efficiency.	TAPS	Completed - Ongoing
TRA-4D-PB	Coordinate roadway and circulation improvements with pace of campus development	P&B	Completed - Ongoing
TRA-4D-TAPS	Campus roadway and circulation improvements.	TAPS	Completed - Ongoing
TRA-4E	Bicycle circulation improvements.	TAPS	Completed - Ongoing
TRA-4F	Wayfinding systems.	TAPS	In Progress
TRA-5B	Special-event parking management.	TAPS	Completed - Ongoing
TRA-5C	On-line parking permit sales and information.	TAPS	Completed - Ongoing
TRA-5D	Campus Events Calendar System for traffic and parking management.	TAPS	Completed - Ongoing
TRA-6B-PB	Pay fair share of local cost of improvements to freeway facilities.	P&B	Not Triggered
TRA-6B-TAPS	Fair share contribution to freeway facility improvements.	TAPS	Not Triggered
UTIL-4	Improve recycling and waste reduction.	Physical Plant	Completed - Ongoing

Annual Mitigation Monitoring Report, 2013-14
Table 1: Mitigation Status Summary**

UTIL-9A-CUHS	Water efficient washing machines in student housing.	CUHS	Completed - Ongoing
UTIL-9A-OPERS	Water-efficient washing machines.	OPERS	Not Triggered
UTIL-9A-PP	Leak detection and repair.	Physical Plant	Completed - Ongoing
UTIL-9B-PP	Pilot test high-efficiency plumbing fixtures.	Physical Plant	Completed - Ongoing
UTIL-9B-PPC	Pilot test high-efficiency plumbing fixtures	Physical Plant	Completed - Ongoing
UTIL-9C	Water conservation education program for campus residents.	CUHS	Completed - Ongoing
UTIL-9D	Campus water audit.	PP&C	Completed - No Further Action
UTIL-9E CUHS	Implement water audit recommendations.	CUHS	Completed - No Further Action
UTIL-9E-PP	Implement water audit recommendations.	Physical Plant	Completed - No Further Action
UTIL-9F	Update water audit	Physical Plant	Completed - Ongoing
UTIL-9G	Water re-use feasibility study.	PP&C	Completed - No Further Action
UTIL-9H-CUHS	Retrofit plumbing fixtures in student housing within 5 years following approval of 2005 LRDP.	CUHS	In Progress
UTIL-9I	Water conservation in drought emergency	Arboretum	Completed - Ongoing
